From 1958 to 1983 . . .

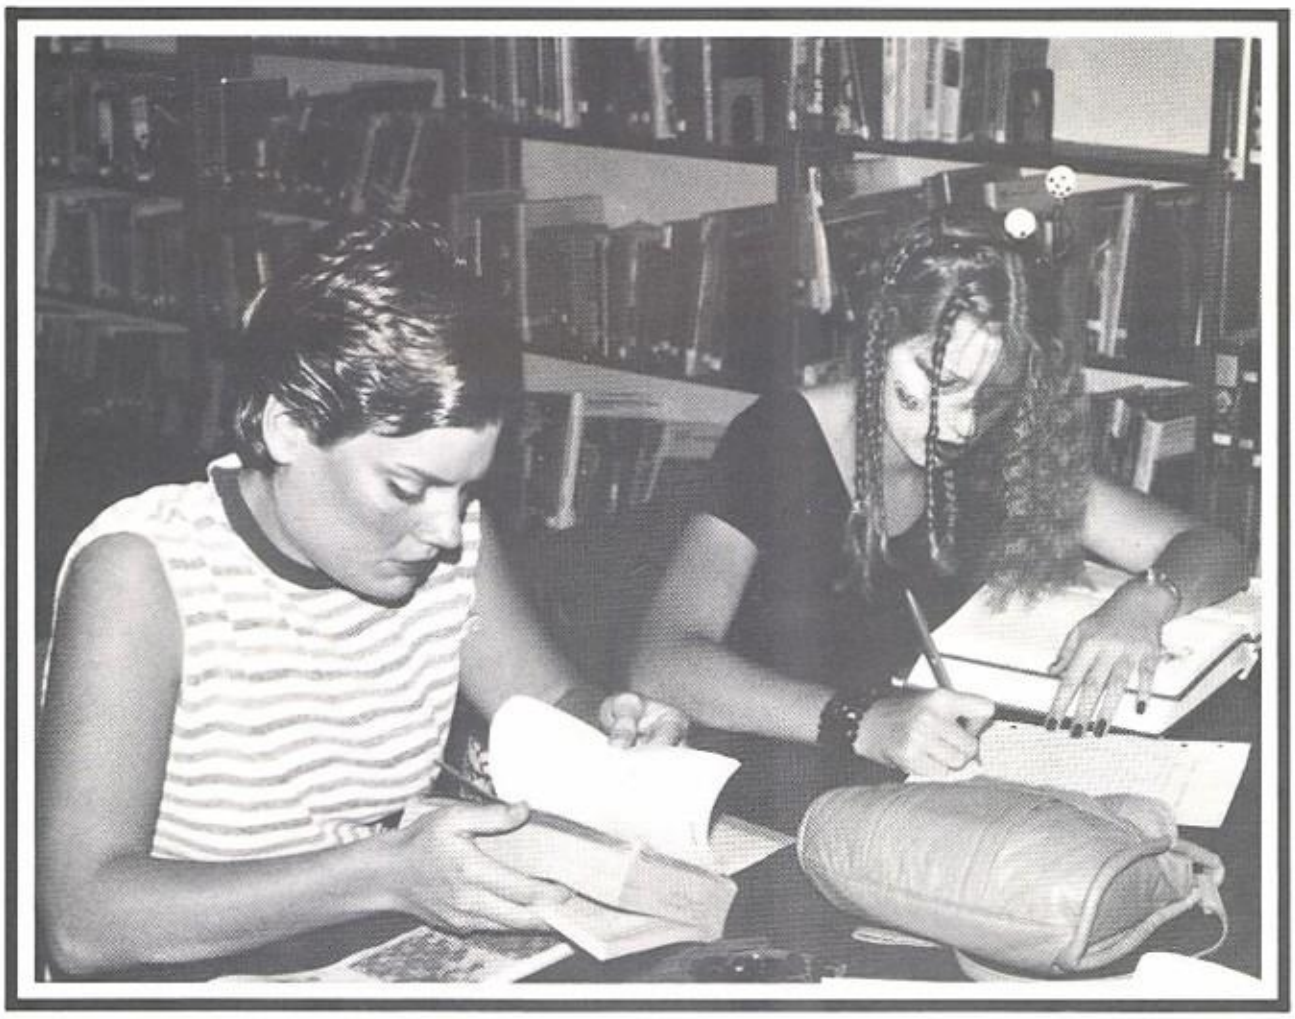
It hardly seems possible that 25 years have passed since our school opened its doors, but anyone who looks at the aerial photo (above left) of the school, the surrounding area and the Loop in 1958 as compared to 1983 will certainly note some differences. It must have been slightly easier to turn left on to the Loop back then!

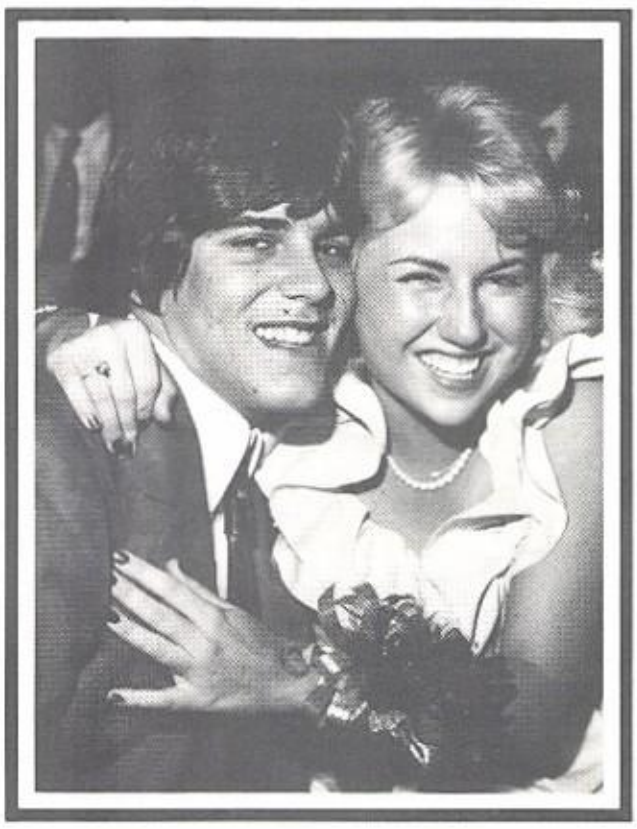
The history of the Tyler Catholic School System during modern times really began with the establishment of St. Gregory Elementary School in 1946. By 1954 a definite need for high school facilities was realized. In January, 1957, Bishop Thomas K. Gorman of Dallas initiated a fund raising campaign for a high school. Ground was broken for the new school on December 8, 1957, and in September, 1958, Tyler Catholic High School opened its doors for classes.

The school was originally one main academic building, but within a few years the football stadium and gymnasium were added. In August of 1970 the high school was rededicated in honor of Bishop Thomas K. Gorman, retired bishop of the Diocese of Dallas. Improvements during the late 70's included the addition of a track facility and tennis courts. In March, 1980, the Catholic community in Tyler embarked on a most ambitious campaign to solicit funds for the construction of a middle school academic facility, a multi-purpose community center, a field house, and renovation of the existing gymnasium. Contributions were received from parishioners as well as the wider Tyler community. Ground breaking ceremonies were held on April 30, 1981, and construction was completed in the Fall of 1982.

The past 25 years at T. K. Gorman have brought many changes. As Mr. Brewerton described in an article in the school newspaper, we have gone from no graduating classes in 1959 and 1960 to graduating classes with as many as 54 students . . . from athletics in an open field with borrowed or discarded uniforms to the real gyms and fields and uniforms, and state tournaments and play-offs with a pride and spirit that is still growing . . . the many organizations that were begun, then, in some cases, declined, then resurfaced in stronger and better form . . . from not much recognition to high recognition in the Tyler community . . . and the people . . . visionary pastors, principals, parishioners, non-parishioners, dedicated teachers, eager and not-so-eager learners, appreciative students, students who would be appreciative later, school mothers, special faculty members, dedicated parents, hard working special people of every generation of students being replaced by the same in the next generation. This is T. K. Gorman . . . always striving to live out our motto . . . Seek Wisdom through Truth and Charity.

And finally, one important aspect of T. K. Gorman that makes it what it is and that has so much meaning to its students and ex-students . . . its traditions. TKG has many traditions that are carried out each year and have been going on for many years. In our opening section of this yearbook we want to show some of the traditions of T. K. Gorman and what they mean to us.





ACTIVITIES

Dedication — Thomas K. Gorman New Facilities

On Sunday December 5, 1982, the dedication and blessing of the new T. K. Gorman facilities took place. Mr. John Bonglovanni, president of the Tyler Catholic School System School Board, was master of ceremonies. Distinguished guest speakers included Rev. Msgr. John F. Meyers, president of the National Catholic Education Association and a former pastor of Immaculate Conception Church; Sr. Caroleen Hensgen, SSND, superintendent of schools of the Diocese of Dallas; Mr. Keating Zeppa and Mr. Anthony George, Steering Committee Co-chairmen; Mr. Royce Wisenbaker, Building Committee Chairman; Mr. Charles Halstead, Tyler Mayor Pro Tem; and Mr. V. M. Cameron, representing the Cameron Foundation. Closing remarks were given by Mrs. Thoy Smith, principal of the T. K. Gorman Middle School. Bishop Thomas Tschoepe, Bishop of Dallas, offered prayers of blessing on the Middle School, Community Center Building, field house, and chapel and he presided over the Mass of thanksgiving. At the dedication, Bishop Tschoepe asked that the Community Center Building be named the Milam J. Joseph Community Center Building in honor of Msgr. Milam Joseph, pastor of the parish, under whose leadership the idea of the new facilities was conceived and brought to fruition.

According to the program the celebration was dedicated to "the people of vision and courage who, through their sacrifices and convictions, have built and developed this school system which stands as a sign of academic excellence in the Tyler Community and to our students, that they will have the courage and conviction to become responsible adults, capable of making the sacrifices necessary to shape the future of our society in truth, justice, and charity."

Homecoming Festivities . . .

As is our tradition, the homecoming queen is selected from the Senior Class. The seniors nominate a list of five girls from which the whole student body votes for the queen. The name of the queen is not announced until halftime of the homecoming game. The queen selected for 1982 was Martha Marinez.

This year the seniors and sophomores tied for first place. Another tradition is having a very big and *loud* pep rally for homecoming. The seniors won the pep rally award this year.

Senior Faculty Skit

A tradition has developed that each year following the final senior mass at the end of the year, the seniors put on a skit at which they spoof the teachers.

Not to be outdone, the faculty began a few years ago following the senior skit with one of their own spoofing the seniors. This year the main character was the very talented and lively Mr. I. N. Adams portraying Allison Richardson. The program was closed with a musical rendition of "Puff, the Magic Dragon" performed for the seniors by the teachers who "puff." As usual the whole affair provided everyone with a time of fun and enjoyment at the close of school.

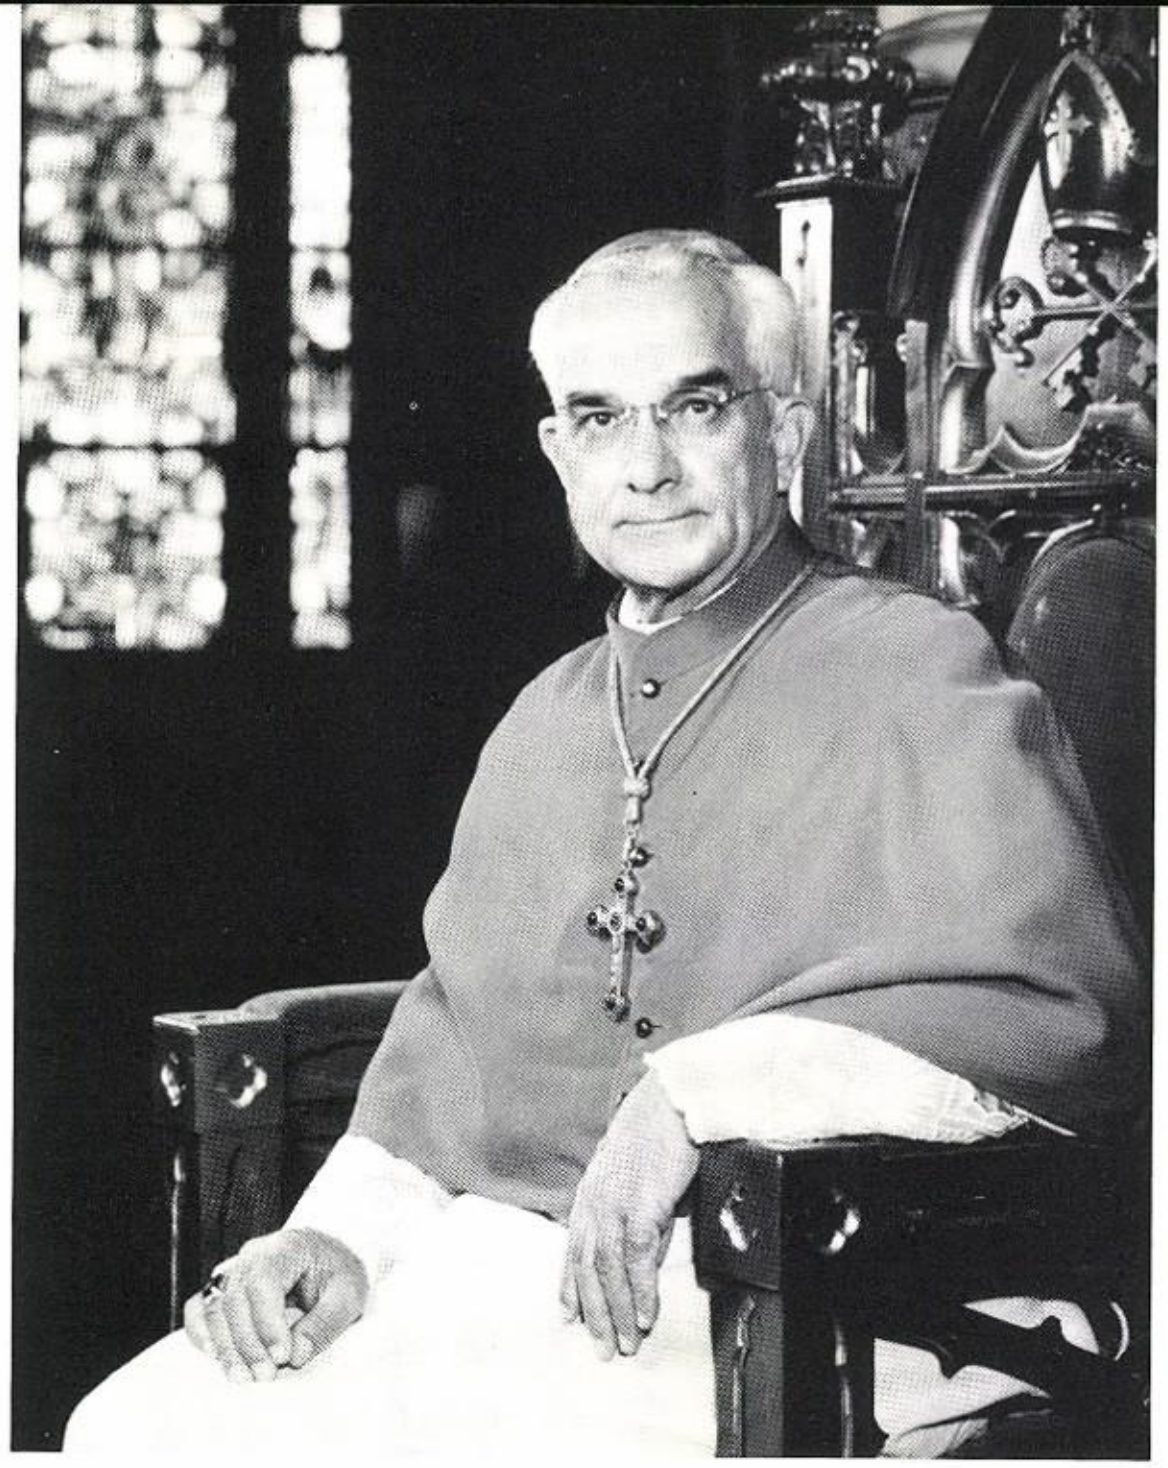
FACULTY

Bishop Thomas Tschoepe

Bishop Thomas Tschoepe has been the bishop of the Dallas Diocese since 1969. During his tenure Bishop Tschoepe has visited the Gorman community on numerous occasions. He actively participated with us in the original ground breaking ceremony and in the dedication of our new facilities in December, 1982. His continuous support and guidance are an asset to the community.

This year Bishop Tschoepe celebrated the fortieth anniversary of his ordination to the priesthood, and, according to the Texas Catholic, service is the word which best defines his 40 years as a priest.



Monsignor Milam J. Joseph

Monsignor Joseph came to Immaculate Conception Parish in 1969. He has been a teacher and principal at T. K. Gorman High School. Currently he is the parish pastor and the superintendent of the Tyler Catholic School System. Monsignor Joseph was instrumental in the establishment of the new T. K. Gorman facilities and was honored this year for his efforts when the new Community Center was named the Milam J. Joseph Community Center.

One of the most important aspects of any school is its teachers. T. K. Gorman is very fortunate to have an excellent faculty and staff who show a real interest in the students and are ready and willing to aid them in their learning endeavors.

A. Mr. Adams, who is spending his 51st year as a teacher, concocts a potion in Chemistry lab.
B. Sister Ann Bourke, who came to Gorman this year from Bishop Lynch in Dallas, is getting ready to begin her Physics class – one of four different subjects she teachers.
C. Dale Cates, just recently minus his beard, tries to drum a little biology into the freshmen. Mr. Cates has been at Gorman for three years.
D. Ken Coughlin, in his third year as a teacher at Gorman, enjoys a humorous moment with his senior theology class.
E. Karen Graham who began teaching at Gorman in the middle of last year, works at putting Shakespeare on a freshmen level.

Mr. Marshall

Another 25th Anniversary —

Along with 1983 being the 25th anniversary of our school, it is also an important date for Father O'Mara. It marks the 25th anniversary of his ordination as a priest. On April 12, 1958, at St. Mary of the Lake Seminary in Mundelein, Illinois, he was ordained as a priest. Since that time he has taught theology and religion to elementary, high school, college and adult classes, has been a hockey and soccer coach, and has been principal of T. K. Gorman since 1977. He celebrated a Mass of Thanksgiving and was honored with a reception given by the parish. T. K. Gorman students also honored Fr. O'Mara with a gift and a reception.

A▲

Our 1982 team was under the direction of first year head coach Eric Pottkotter. Coach Pottkotter was a Gorman graduate and had served as assistant coach here prior to becoming head coach.

The first game proved a little disappointing as the Cushing Bearcats defeated TKG in Cushing by a score of 25-8 in a game marred by penalties and incomplete passes.

The Crusaders came back strong the next week in the first home game of the season and beat Eustace 32-6. Senior quarterback Joe Prud'homme passed for 143 yards and completed 13 of 20 passes to aid the Crusaders cause.

Next came the Bullard game at which the Crusaders rolled up their biggest score of the year, 50-7. Gorman chalked up 345 yards offensively, with Joe Prud'homme passing for 193 yards and rushing for 80 yards on nine carries. Chad Rook also gained 173 yards on three pass receptions.

The Scurry Rosser game was another good one for the Crusaders. We ruined Scurry-Rosser's homecoming by beating them 35-16.

The Princeton game, played at home in McCallum Stadium, proved to be a heartbreaker for the Crusaders. With less than 5 seconds on the clock til the half Princeton booted what proved to be the winning field goal with the final score of the game being 17-15 in Princeton's favor.

The Crusaders then traveled to Irving to play Cistercian. On a muddy field the two teams played a hard fought game but Cistercian could only score two field goals and the Crusaders came out on top by a score of 14-6.

The next game was our homecoming game and the Crusaders played a first year football team from Alba-Golden. Gorman won the game by a score of 42-2, and most everyone on the team saw action in this game.

The Crusaders next traveled to Dallas to play Dallas First Baptist Academy where they received their worst defeat of the year. First Baptist had a very strong defense which held Gorman to a minus 20 yards rushing 67 yards passing. The final score showed First Baptist winning, 28-0.

The final two games were the district games which we lost both by similar scores: Sacred Heart 21 – Gorman 7, and Notre Dame 23 – Gorman 7. However, even though we lost district and came out 5-5 for the season, Coach Pottkotter felt that we had a successful season. Pottkotter was certainly a catalyst for encouraging a number of new players to join the team and for inspiring the team and instilling a very good spirit and unity on the team. He stated in a newspaper interview that he felt confident about next year even though he would be losing a number of key players because there is a tremendous group coming back. He said "If they believe in me and I believe in them, then we'll be successful no matter what the record book shows. In high school, if they enjoy football, then to me, that's successful."

AND the 1982 team did enjoy football! They represented our school well and they were successful.!

All the Way to State!

On Feb. 18 and 19, 1983 our boys basketball team participated in the TCIL State Tournament at the Hemisfair Arena in San Antonio. After winning the first round game the Crusaders were defeated in the finals by Houston Marian. Even though they lost in the finals, being a state finalist is certainly a great accomplishment and the fun and excitement of the state tournament and San Antonio are things that will long be remembered by the team and the large number of fans who followed and supported them there.

Girls Basketball

The varsity girls had a successful year in that they accomplished their goal of beating St. John and winning the East Zone Championship of the district. This meant a lot to the five seniors on the team who will be graduating this year. The team played a number of larger schools at the beginning of the year and while they did not win many of these games, they helped the team in reaching their goal of defeating St. Johns. After winning the East Zone of the district, they were defeated by Sacred Heart of Muenster for the Regular Season Championship. Two girls from the team received All-District honors: Mimi Pratte, 1st Team, and Martha Marinez, 2nd Team.

The team is shown in action at left in a game with Eustace at the T.K.G. gym.

The 1983 season was a good one with the team posting a winning record of 10 wins and 5 defeats. It seemed that we might have a good chance to win district after defeating St. Johns in both meetings. However the team traveled to Lewisville to play Notre Dame at a neutral sight and Notre Dame won the double-header making them the district champs.

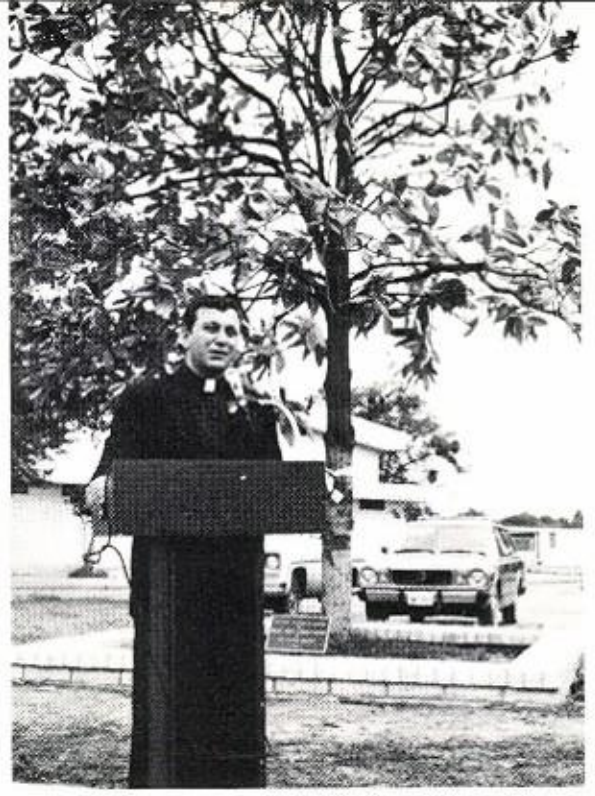
Sports Banquet

The Annual T. K. Gorman Sports Banquet was held on May 13, 1983, in the new Milam J. Joseph Community Center Building. Just prior to the banquet Monsignor Joseph (pictured right) presided over a ceremony in which a tree was dedicated in memory of late Billy Paul Chrietzburg, a man who did much for T. K. Gorman athletics. The highlight of the banquet was the awarding of the coveted Lawrence LaCroix Sr. Memorial Award to Gorman athlete Paul Procell. This award is given each year to an athlete selected from one of the three Tyler high schools. A selection committee bases their selection on character, accomplishment, leadership, and moral fiber. This year's recipient, Paul Procell is pictured with Butch LaCroix as he receives the award. (middle right)



Pictured below are all of the award recipients. They are:
Mimi Pratt, Outstanding Girls Basketball Player; Paul Procell, the LaCroix Award, and Boys Basketball Most Valuable Player; Joanna Garcia, Scholastic Athlete Award, and Girls Tennis Most Valuable Player; Brett Brodnax, Most Dedicated Football Player; Martha Marinez, Girls Most Valuable Volleyball Player, and the Henry T. Yearbook Staff in Action

The Yearbook Staff has put forth a lot of effort to produce your 83 Crusader Profile. There are many tasks necessary in order to produce the yearbook. Selling ads is a huge task, but a very necessary one in order to obtain financing so that the yearbook can be sold at a more reasonable price to the students. Our staff this year sold over $3000 worth of ads. Other tasks include planning drawings, lay-outs, writing copy, typing, taking pictures . . . all the things that go into publishing a yearbook. These things are hard work and time consuming, but it's all made worthwhile when we see the finished product – a yearbook that adequately portrays 1982-83 and one that will bring us memories of friends and happenings of the year in the years to come . . .

A. Greg Fowler, Yearbook Editor for this year, is shown planning out pages – one of the numerous tasks he accomplished this year. Besides planning and layout work, Greg also took many of the pictures in the yearbook and was also the top ad seller.
B. Rochelle Mitchell, Lisa Leon, and Mary Malouf, the three juniors on the staff are involved in drawing layouts and stamping pictures, two of the many tasks necessary in putting out the yearbook.
C. Teri Kelly and Lana Vulpo in the process of selecting some pictures, to be put in the yearbook from proofs.
D. Cindi Bolton and Joanna Garcia, who were two of the top ad salesmen for the year, are working on layouts here.
E. Rindy Erwin, who served as one of our speedy typists, and Daryl Herzog work on copy layouts.

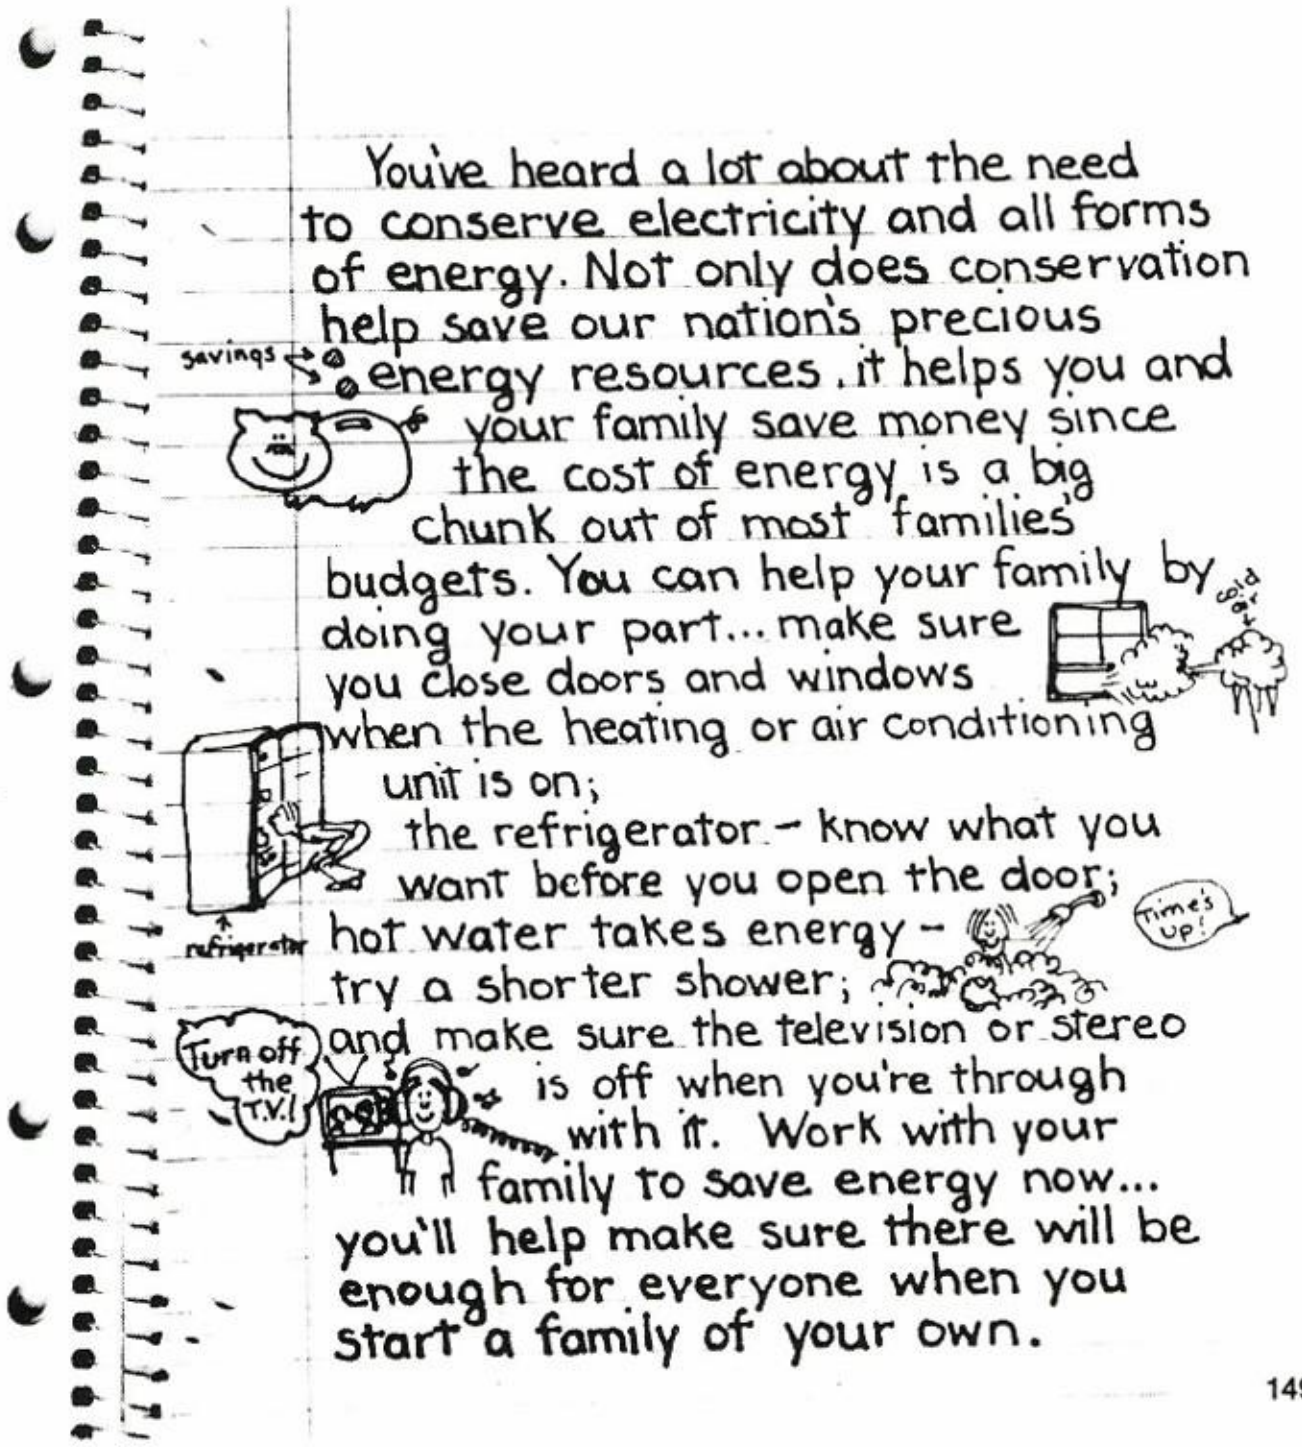
TEXAS POWER & LIGHT COMPANY
A tax-paying, investor-owned electric utility



You've heard a lot about the need to conserve electricity and all forms of energy. Not only does conservation help save our nation's precious energy resources, it helps you and your family save money since the cost of energy is a big chunk out of most families' budgets. You can help your family by doing your part... make sure you close doors and windows when the heating or air conditioning unit is on; the refrigerator - know what you want before you open the door; hot water takes energy - try a shorter shower; and make sure the television or stereo is off when you're through with it. Work with your family to save energy now... you'll help make sure there will be enough for everyone when you start a family of your own.

Music wasn't enough for you. Nooo! Television wasn't enough for you. Nooo! So we put 'em both together to bring you MTV: Music Television. Yesss!
MTV brings you the sights and sounds of today's music—in stereo. Video music from the top artists.
Live concerts. Music movies. Music news, reviews and interviews. And it's all brought to you by our VJ's.
(That's "video jockey," as in "disc jockey.")
But the only way you're going to see and hear MTV is by subscribing to cable.
That's it. No ifs, and or buts about it.
You really want MTV? Then call and let us have it...
